

Parish Council monthly update

Alkham, Capel-le-Ferne and Hougham.

March 2021.

Information provided by: PCSO 61078 MEGAN KEEHNER, DOVER CSU.

Nuisance Vehicles.

Over the weekend of 6 and 7 March 2021, officers worked with PCSOs, Kent Special Constabulary and partner agencies including Dover District Council (DDC) to identify and take action against offenders in the district in response to reports of anti-social car driving and nuisance motorbiking.

Three arrests were made, six vehicles were seized and seven people were given official warnings as part of an ongoing operation by Kent Police and partners to tackle anti-social vehicle use in Dover.

They targeted locations identified as hot-spots for potential offending, including speeding and off-road motorbiking.

On Saturday, officers from the Roads Policing Unit carried out speed checks in Dover, Deal, Walmer and Capel-Le-Ferne, resulting in ten people reported for speeding, four vehicles seized for no insurance, and three men arrested in connection with drugs offences. One driver also received an official warning for anti-social driving.

On Sunday, officers from the Dover Community Policing Team attended a site near Terrace Road where two motorcycles were seized under Section 59 of the Police Reform Act, as the riders had previously received warnings regarding their vehicles. One was also reported for not having insurance. A further five motorcyclists at the same site were given official warnings.

Under Section 59 of the Police Reform Act, if a vehicle is used in a manner that is careless, inconsiderate or is driving off-road and likely to cause distress, the driver or motorcyclist can receive a warning. If the person continues to offend within the following 12 months, officers can seize their vehicle. Six people were also fined for breaching Covid-19 restrictions.
